OEB Insights is a hub for sharing ideas and best practices in the field of Information and Communication Technology (ICT) for education all over the world. The OEB Insights platform is designed to enhance knowledge, expertise and skills while also serving as a catalyst for the vibrant, multinational community of practice in this field.

The portal is structured around the annual OEB conference, (formerly ONLINE EDUCA BERLIN), the global cross-sector conference on technology supported learning and training.

Our Audience:
Who will you reach with your advertisement on OEB Insights?

- Deans, directors, researchers, professors and teachers
- Chief Learning Officers (CLO), CEOs
- E-Learning content developers and instructional designers
- HR directors/managers and IT professionals
- Leaders of professional associations and continuing education centres
- Learning & technology, knowledge management, information system and distance learning officers
- Representatives of International Government Organisations
